Newsletter 2020

Have faith, not fear and offer help, don't hoard.

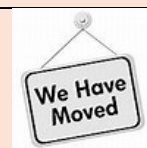

With the global chaos surrounding the COVID-19 virus outbreak, there are a few things you can do as a community to better protect yourselves and your neighbors:

1. Limit the information you follow to that from highly reputable, government and healthcare organizations such as the CDC and ODH. There is much misinformation out there causing more harm than good.
2. Wash your hands frequently following the '20 second' rule
3. Avoid close contact with anyone experiencing flu-like symptoms
4. Stay home if you, yourself experience flu-like symptoms

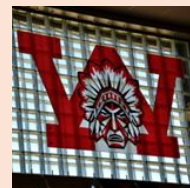

Please stay safe and healthy!

Whether you have built a new home or purchased an existing one, as you know, you are part of the MOA (aka your homeowners' association). The Association and the Board will continue to ensure that we maintain all common areas and preserve property values. Please make sure you are registered at [TownSq](#)
