OWNERS' MEETING - OCTOBER 18TH FROM 6:00PM TO 7:00PM

All members of Carriage Trails Master Owners' Association, Inc. are invited to a meeting on **Wednesday, October 18, 2017 from 6:00 pm to 7:00 pm** at the Huber Heights Athletic Foundation, located at 5367 Fishburg Road, Huber Heights, Ohio 45424.

The main purpose of this meeting is to:

- 1) Review financials ending September 30, 2017;
- 2) Discuss 2017-2018 Development Plans; and
- 3) Transact such other matters as may be properly brought before the meeting. This year, if you know what you would like to ask before the meeting, please feel free to send us an email prior to the meeting, so that we may prepare an agenda to better address any common questions that residents may have. We look forward to hearing from you, or seeing you in October.

Please always remember to check your Community Rules and Regulations before making any exterior improvements to see if you require a permit. You can find these in your closing paperwork or on Associa's website. Contact your association if you have any questions. Thank you.
